Jitendra Saini

Frontend Developer(React)

PROFESSIONAL SUMMARY

Dynamic Frontend Developer with expertise in React.js and a solid understanding of responsive design and software development principles. Adept at using Generative AI to enhance project efficiency and quickly adopting new tech stacks. Strong problem-solving skills and collaborative capabilities ensure high-quality, scalable user interfaces.

PROJECTS

1. OwnField | |

JavaScript | React | CSS3 | HTML5

- Developed a direct marketplace enabling farmers to connect with buyers, eliminating the need for intermediaries.
- Utilized React.js to build responsive user interfaces, enhancing user experience across devices.
- Integrated secure payment features for fast and reliable transactions between parties.
